Our History: Adventure Christian School (ACS) opened in 1999 as a preschool. As our students grew older, we recognized the need for elementary grades which offered quality academics in a Christ-centered environment. As a result, ACS is now proud to offer Preschool, Elementary, and Junior High programs for families in our surrounding communities.

Our Campus: ACS is situated on 41 acres in Roseville, Placer County, and is easily accessible from the Rocklin, Roseville, Granite Bay, Lincoln, and Loomis communities.

Our Class Sizes: As a policy of our school, class sizes do not exceed 24 students per class and we offer two classes for each grade level. Additionally, in grades TK - 1st, a teacher's aide is also assigned to each class effectively reducing the teacher student ratio to 1:12. Beginning in 2nd grade, a teacher's aide is shared between the two classes in each grade level making the teacher student ratio 1:16.

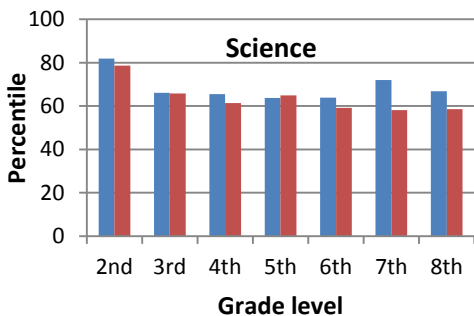

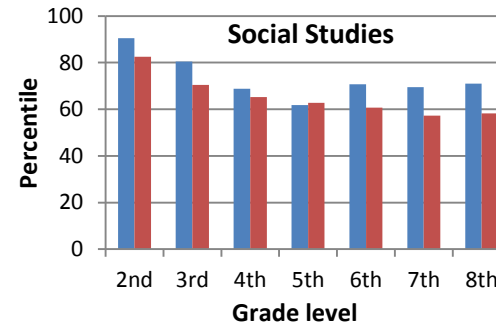

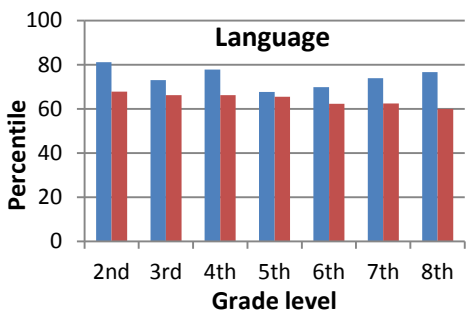

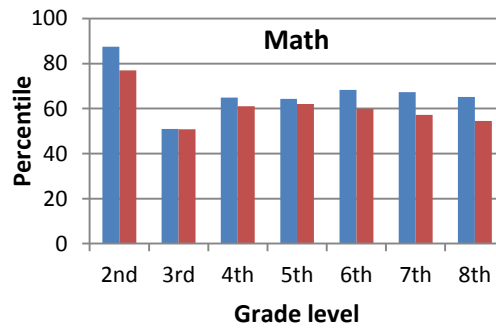

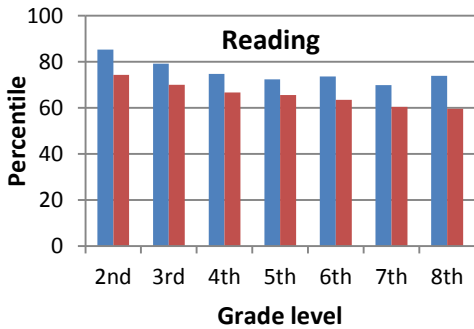

Our Test Results: Similar to public schools, ACS participates in standardized testing to help administration evaluate our curriculum and the effectiveness of our teaching.

# Subjects Tested	6	2

ACS holds itself to a high standard by comparing our test results to other schools in the nation, as well as testing students in multiple subject matters including: Reading, Language Arts, Math, Science, Social Studies, and Bible. Currently, the state's Smarter Balanced Assessment Consortium (SBAC) testing covers only English/Language Arts and Math.

Below are the test results of ACS students for the 2014 - 15 school year compared to the nation:
